

CHINESE LANGUAGE TEXTBOOK ACADEMIC SESSION

Dear Parents and Guardian,

Mandarin Chinese is spoken by over 1 billion people around the world, about one fifth of the global population. Learning to speak Chinese is a great way to give our children an advantage in the increasingly competitive world. Roots Millennium Schools takes pride in announcing that The Millennium is the First school in Pakistan to offer Mandarin Chinese in all its campuses nationwide.

To deliver world class education where rest of the world is increasingly multilingual a well-rounded education includes high quality language learning. Understanding & proficiency of any foreign language needs time and Chinese is no exception. To indisputably understand the importance of Chinese language we motivate our students to learn the language of 21st century to get linguistically literate and culturally competent.

Henan Normal University and The Millennium Education, Pakistan with a view to promote cultural relationship between the two nations and to forge cooperation between the two organizations is promoting Chinese and Urdu Language for the benefit of both Pakistan and China. Under the agreement the Promotion of Chinese Language & Culture and establishment of Millennium Confucius Classroom across Pakistan is the common visionary goal of Millennium Confucius Classroom.

Millennium Confucius Classroom curriculum and Chinese Language teaching initiative has created a new vista of opportunities for the youth on both sides of the border. TME is leaving no stones unturned to help scale this language initiative for the mutual benefit of both the nations. The textbook and resource material that is being used at TME starts from the basics and gradually scaffolds the learning process of your child. Hence, the student when reaches the middle school becomes proficient enough to speak the Language fluently.

HSK is an international standardized test of Chinese Language proficiency, which evaluates the abilities of middle year school students to use Chinese language in their daily lives. The Chinese Language HSK-1 textbook that is being introduced in grade VII will develop the listening, speaking, reading and writing skills of your child. Students can develop their knowledge of Chinese culture through the provided course and other activities during the academic session.

We are pleased to announce that we are going to provide the Chinese Language Textbook worth Rs.550 to your child for the academic session is going to be adjusted in the fee bill of the month of November 2019. The amount will not be accepted in cash.

Looking forward to your support and cooperation to make the Chinese Language a great learning experience for our Millennials.

Best Wishes
